4.4.2 There are established systems and procedures for maintaining and utilizing physical, academic and support facilities - laboratory, library, sports complex, computers, classrooms etc.

The Institute continuously strives to meet the growing needs of the twenty first century academic world making available adequate physical infrastructure and constantly upgrading facilities in order to provide a good teaching learning environment. In order to ensure maintenance and optimum utilization, various systems and procedures are established so as to benefit all the stakeholders. The institute is a much sought after venue for conducting various public examinations due to its infrastructural facilities. The College has well established procedure of maintaining and utilizing academic and support facilities.

Physical Facilities:

Classrooms, Tutorial rooms and Seminar halls:

Before commencement of each semester, Director and Principal inspect the class rooms and tutorial rooms to check out the adequacy of furniture, working of projectors, tube lights, fans, etc. and make sure all the facilities are available in good condition for the students. The college is having in-house Maintenance team and Annual Maintenance Contract with agencies to carry out repairs and maintenance work. Separate class rooms, tutorial rooms and seminar halls are allotted exclusively as per the requirements. Central Routine Coordinator along with deputed coordinator of the divisions prepares time-tables in consultation with each other and displays them on the notice board. 5 classrooms are provided with LCD projectors and students and faculty members can utilize them for their presentations.

Laboratory Facilities:

Adequate laboratory facilities exist for carrying out all the experiments as per curriculum. Any equipment for R & D work is also procured as and when required. Each Laboratory is managed and maintained by a Faculty in-charge and Technical/ Laboratory Assistant. Annual proposals for purchase of new equipments, repair and maintenance of available equipments are prepared by the concerned lab in charges and submitted to HOD. The Head of the institution after receiving the proposals from all the HOD & calls the Purchase Order Committee meeting for their approval and purchases / repairs and maintenance. After purchase and installation, the details of new purchases are recorded in the stock registers of respective Labs. Testing & calibration of equipment and devices are also performed on regular basis to ensure the working and accuracy of available equipments in the laboratories. Central Routine Committee conducts meetings for finalization of Class Schedule of the all departments before the commencement of each semester so as to finalize the schedule of courses for both
