DOS & DON'TS IN GROUP DISCUSSION

Introduction:

Group discussion is one of important steps in selection process either for job or in admission for higher education, So aspirant must aware about what to do and what not at time of group discussion, That's why we are going to discuss about Dos and Don'ts in GD.

The following common rules regarding dos in group discussion are most important to success in Group Discussion.

- You must take care as you enter in group discussion because first impression is last impression so make sure your first entry is well planned with certain approach.
- If you are well aware with subject then initiate the discussion and give the direction to the discussion.
- You must be appropriate to the issue that means discussion must revolve around the subject.
- During group discussion make original points and support them with significant proof such as with reference to news paper or data by various agencies.
- Do listen to others participants very carefully and actively by nodding or simple smile.
- While making your point you must speak with a logical flow with few examples which support your point.
