B. Pharm.	Nagpur university	2009	60.70%
D.Pharm	MSBTE	2006	62.56%
HSC	Amravati Board	2004	50.33%

Industrial Experience

Successfully completed project in Analytical Research & Development At **Twilight Litaka Pharma Ltd. Pune, within 7 month.**

- Sound Knowledge of Method Development.
- Sound Knowledge of Documentation Related to analytical development.
- Aware with ICH, WHO guidelines of method development and validation.
- Proficient Skilled in Handling of Instruments.

Academic Experience

1. I have **3 yrs.** of teaching experience at **IBSS College of Pharmacy Malkapur.**
2. 8 yrs experience in SGSPS institute of pharmacy, Akola as a Asst. professor.
3. Currently working in Dr. Rajendra Gode of Pharmacy, Malkapur

M. Pharm Dissertation Topic

“Development and validation of stability indicating HPLC method for **Bilayer tablet of NSAID drug.**”

Instruments Handling Skill

- | | |
|--|---|
| <ul style="list-style-type: none">• HPLC (Jasco, Thermo)• IR spectroscopy (Perkin Eilmer)• UV spectroscopy (Jasco) | <ul style="list-style-type: none">• Disintegration apparatus• Dissolution apparatus (Lab India, Variance)• Viscometer |
|--|---|

Professional achievements

- Participated in the one day workshop of Central India Pharmacy Promotion & Research Association, seminar on **Crafting Carrier in Pharmacy.**
- Participated in National work shop on **Tablet coating.**
- Attend seven days **Instrumental Handling training program.**
- Participated in one day seminar on **Novel drug delivery Current perspectives and future trends.**
- Poster Presented in International symposium on Clinical pharmacy education-sharing the US experiences.
- Attended national conference on Nanotechnology: a versatile tool in drug design and delivery.
- Participated in one day national conference on **National conference on herbal awareness and production** sponsored by IPA
- Participated in one day national conference on Current perspective and future trends on

organic chemistry of biomolecule.

- Attended Two days training workshop on Computer in Pharmaceutical drug development organized by Gurunanak college of Pharmacy, Nagpur.
- Attended Ten Days Faculty development program on **Industrial Pharmacy sponsored by RUSA, MHRD & Govt. of india supported by ICT Mumbai**
- Organised **APTI sponsored one day National Conference on Recent trends in analytical and bioanalytical techniques in collaboration with WATERS India pvt. Ltd.**
- Organized APTI sponsored one day National conference on pharmacovigilnce and drug safety in collaboration with Advantmed India LLC
- Participated in one day workshop on CBCS – NEP executor training program sponsored by SGB Amravati University Amravati.
- 2 days online workshop on **Handling of analytical instruments** sponsored by techno labs
- Three days online national workshop on **IPR- patenting strategies for startups organized by CSIR & Oriental university, Indore.**
- **Registered for PhD in pharmaceutical sciences in oriental University, Indore.**

Special Achievements

- Patent publication on “Implementation of versatile targetted strategies in enhancing the therapeutic efficiency of Nanoparticles for cancer treatment
- Committee member of State level APTI Registration Drive.

Paper Publications

International Paper Publication

- **An Overview On Exosome: Natural Drug Delivery Vehicle** in wjpps journal.
- **Anti-inflammatory activity of vetiveria zizanioides (Linn.) Root.** In JPR Journal.
- **Natural polymers: Best carriers for improving bioavailability of poorly water soluble drugs in solid dispersions** In Marmara Journal.
- **An Overview on the Mechanisms of Solubility and Dissolution Rate Enhancement in Solid Dispersion** in phinxsai journal.

Computer Knowledge

MSCIT course completed

Known Language: English, Marathi, Hindi,

Extracurricular Activities:

➤ Travelling.

Strengths

Eager to learn new things.

Excellent process oriented team player with a good learning curve.
